## BOOK YOUR SPORT FACILITY

Grab the best training times ahead. You choose the volume and the training times, we deliver the perfect training environment.

x-bionic® athletic sphere features an 8-lane track and field athletic oval with IAAF certification, 4-lane track training oval, 4 long jump sand pits, separate practice areas for all throwing sports (javelin throw, discus throw, shot put, hammer throw), as well as 130 m incline/decline track, perfect for speed and resistance training.

The training facilities include a 10-lane Olympic sized swimming pool available all year around and an 8-lane indoor short-course pool. Near the outdoor pool, you will find a grass area perfect for stretching before and after practice, covered area ideal for physiotherapy treatments and sand surfaces for dry-land practice.

x-bionic® gymnastic sphere that includes floor exercise 12x12m, uneven bars, still rings, vault, parallel bars, balance beams and tumbling lane furnished with Olympic equipment by SPIETH Gymnastics is designed and built with athletes in mind.

Main football stadium with a size of 105 m x 68 m and spectator's capacity of 5000 people has been created to meet the highest training and competition requirements. Two additional football fields are close to the main field in a calm and private area. All 3 fields are built in FIFA standards and with its fibre grass technology offer great conditions for national and international matches, or sports camps.

This upcoming modern sports centre with top equipment will consist of several sections. The multifunctional sports area with FIBA certified deck is intended for practicing collective sports such as basketball, volleyball, handball, floorball or indoor football. Training area dedicated to combat sports consists of 2 zones (10 m x 17 m tatami mat) for taekwondo and karate and another 4 zones (20 m x 17 m tatami mat) for judo and wrestling. The additional area combines Weightlifting, Functional training and Recovery zones.
